

SAQI Training Programme 2021

All courses offered by the South African Quality Institute are presented in association with other course providers and are available to all organisations and individuals. SAQI can assist with the training of a company's workforce and all training packages can be run in-house at cheaper rates to 10 or more delegates. A special discount applies to SAQI members. For more information or to register contact Angel Chiloane on 012 349 5006 or info@saqi.co.za

1. SAQI reserves the right to **change details** of the programme without prior notice.
2. All training takes place at the **SAQI offices** on the CSIR campus in Pretoria.
3. The courses listed below form part of a specific Certificate and **all modules** should be successfully completed to qualify for the Certificate.
4. ALL delegates will **start at level 2**.
5. All courses completed previously will receive **credit** when proof of successful completion is received – please submit **copy of certificate and exam results**.
6. All prices include VAT @ 15%.

MANUFACTURING OR SERVICES

- ✓ If you are currently working in the **manufacturing** industry you will start your development programme with Level 2 (**blue**). After successful completion you can move on to Level 3 (orange).
- ✓ If you are currently working in the **services** industry you will start your development programme with Level 2 (**yellow**). After successful completion you can move on to Level 3 (orange).

Code	Course	Days	Cost	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov
L1	Short courses for Manufacturing												
B80	Welding Inspector	2	5640-00		8-9			21-22
