

# SAQI TRAINING PROGRAMME 2026

All courses offered by the South African Quality Institute are presented in association with other course providers and are available to all organisations and individuals. SAQI can assist with the training of a company's workforce and all training packages can be run in-house at cheaper rates to 10 or more delegates. A special discount applies to SAQI members. For more information or to register contact Angel Chiloane on 012 349 5006 or [info@saqi.co.za](mailto:info@saqi.co.za)

1. SAQI reserves the right to **change details** of the programme without prior notice.
2. All training takes place at the **SAQI offices** on the CSIR campus in Pretoria.
3. The courses listed below form part of a specific Certificate and **all modules** should be successfully completed to qualify for the Certificate.
4. ALL delegates will **start at level 2**.
5. Previously completed courses may qualify for a **credit** when proof of successful completion is received – please submit **copy of certificate and exam results**. Request for credits will be reviewed and is not guaranteed.
6. All prices include VAT @ 15%.

## MANUFACTURING OR SERVICES OR CONSTRUCTION OR WELDING

- ✓ If you are currently working in the **manufacturing** industry you will start your development programme with **Level 2 (blue)**. After successful completion you can move on to Level 3 (orange).
- ✓ If you are currently working in the **services** industry you will start your development programme with **Level 2 (yellow)**. After successful completion you can move on to Level 3 (orange).
- ✓ If you are currently working in the **construction** industry, you will start your development programme with **Level 2 (burgundy)**. After successful completion you can move on to Level 3 (orange).
- ✓ If you are currently working in the **welding** industry, you will start your development programme with **Level 2 (blue-grey)**. After successful completion you can move on to Level 3 (orange).

Code	Course	Days	Cost	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov
<b>L1</b>	<b>Short Courses for Manufacturing</b>
